

NWG: SEXUAL EXPLOITATION (SE) TRAINING OFFER

AWARENESS OF SEXUAL EXPLOITATION (SE):

An informative bite size virtual training event that provides knowledge & information to aid in the recognition of the signs & indicators of sexual exploitation (SE), its prevalence & connection with other forms of exploitation. It explores grooming, manipulation & coercion by perpetrators & how everyone has a responsibility to report and respond to concerns within safeguarding protocols.

Learning Outcomes:

- Define SE & related legislation
- Identify signs & indicators of SE
- State the myths, stereotypes & prevalence of SE
- Recognise how to report SE & what the associated barriers may be

BESPOKE TRAINING: SEXUAL EXPLOITATION (SE):

Understanding Sexual Exploitation: Research-Informed Learning:

A dynamic & thought-provoking learning experience draws on research, evidence-based practice, and insights from our national network. It offers participants the opportunity to critically explore how and why our responses to sexual exploitation are shaped, and how these responses intersect with broader societal issues

Learning Outcomes:

- Demonstrate a person-centred response to validate SE concerns/reports
- Recognise how language, terminology, stereotypes, attitudes & cultures can impact professional curiosity
- Consider current SE themes & trends within the context of wider exploitation
- Discuss how a person's age, cognition & executive functioning affects their capacity to "consent"
- Describe the approach required for supporting exploited young people transitioning into adulthood
- Explore perpetrator behaviour, drivers & their motivation within SE enquires & disruption

Why choose NWG for your training?

NWG is as a UK network of practitioners disseminating information through services, to professionals working on the issues of child/Young Adult Exploitation & Trafficking within the UK. NWG offer far more than professional development, it is an **evidence based 'learning experience'**.
